Clinic Services

Clinic can upload their own Services

- Blood Test
- Operation Theatre
- Scanning Room
- General Ward

User Classes and Characteristics:

The admin, doctors will be the main users. The system is also designed to be user-friendly.

- Admin
- Doctors
- **Admin:** Admin should have prior knowledge of the system. Admin is able to control the whole system. He/she can add, delete, update and modify the system.
- **Doctors:** Doctor should fairly know about the usage of the system. Doctors are able to see the respective appointments taken. And also can view patient's details and records.
- **Casual users:** Anyone can view the information of the polyclinic, and also can take appointment online.
